Bill,

As you know we recently lost some of our experienced call firefighters to full time positions in neighboring communities. To help augment our staff, we add firefighters when we find candidates. We recently found an excellent firefighter. Paul R. Roy is a full time firefighter in Reading and is certified at the EMT Paramedic level. He has completed weeks of training, passed various medic tests plus he is a graduate of the MA Fire Academy.

I will submit the necessary payroll forms, once he is an approved hire. If you need more information, please let me know.

Thank you,

Mike
